

Part of the OP RDE project Quality Improvement of Human Resources Strategy Management in Science and Research at the Institute of Animal Physiology and Genetics CAS reg. No. CZ.02.2.69/0.0/0.0/18_054/0014650

Welcome!

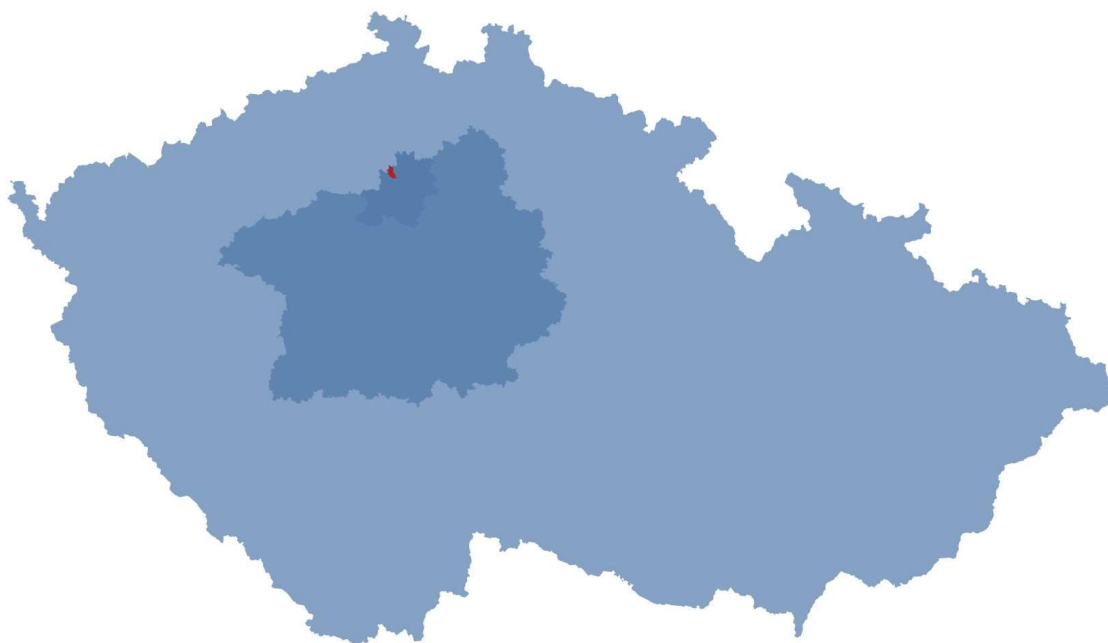

You have decided to work with us in Liběchov, here you can find some basic information about this town.

For more information about the Czech Republic in general, please go to:

https://www.mzv.cz/jnp/cz/o_ministerstvu/prezentace_cr/ceska_republika_prezentace.html

Liběchov

Liběchov is a small town in the Central Bohemian Region. It has about 1,100 inhabitants and it is located about 36 km north of Prague on the right bank of the Elbe River, approximately halfway between towns of Mělník and Štětí.

1) Transport to Liběchov

Well, now you know, where to find Liběchov on the map. But how do you get there?

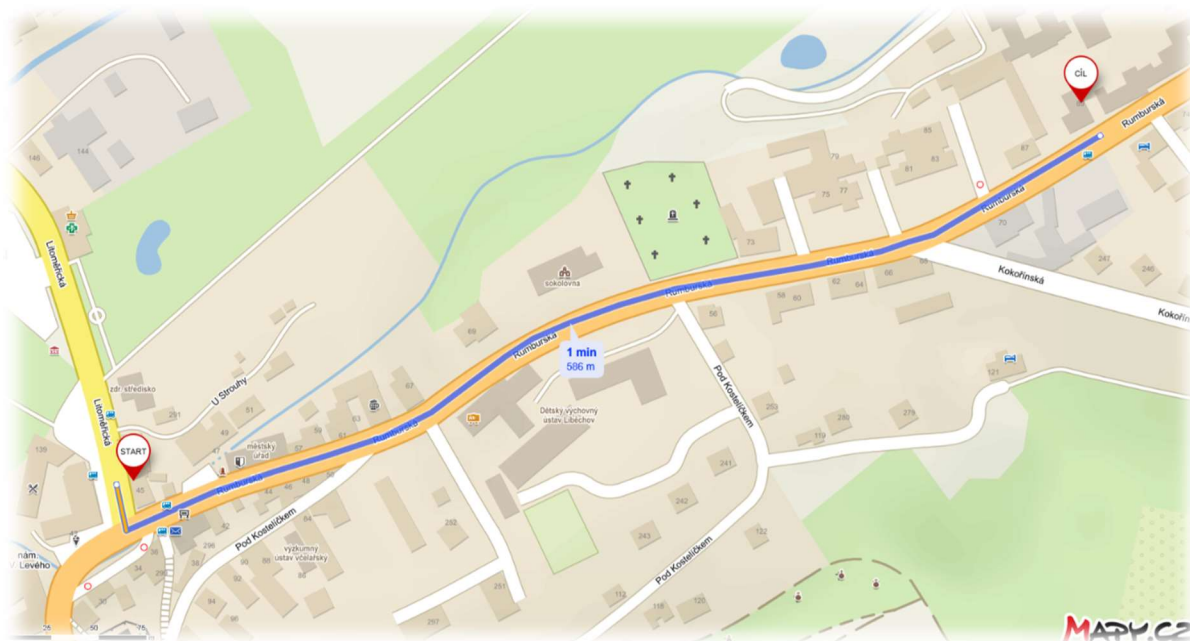

We recommend you use website or download the app called IDOS, it will help you to find the right connection really quickly. <https://idos.idnes.cz/en/vlakyaubusymhdvse/spojeni/>

A) BY PLANE

The Vaclav Havel Prague Airport is an important international crossroads regularly served by airlines from most EU and non-EU countries. Once you land in, take bus No 119 to get to the Prague centre and then connect to public transport, the best is the underground, Line C (the red line), which takes you to Ládví station. Then, take bus No 369, which will directly take you to Liběchov.

B) BY BUS

The best connection to Liběchov is from Prague, from Ládví station (underground, Line C) where you can take bus No 369, it takes about one hour. To see the bus timetable, please click on the following webpage: <https://idos.idnes.cz/en/vlakyaubusymhdvse/spojeni/>

The journey from the bus station to the Institute

Institute of Animal Physiology
and Genetics CAS

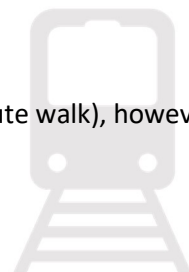

The Czech Academy
of Sciences

C) BY TRAIN

The train station in Liběchov is rather far from the Institute (30-minute walk), however, train is also an option. You can look up rail connections at the following address:

<https://idos.idnes.cz/en/vlakyautobusymhdvse/spojeni/>.

2) Accommodation

Finding accommodation is probably one of the most important but also the most stressful items on the list of things to be arranged when you are moving abroad.

Short-term stay

- If you are going to be in the Czech Republic for a few days or weeks, you can take advantage of the offer in the institutional hostel. For updated information on accommodation availability, please contact Mrs. Alena Juhászová: juhaszova@iapg.cas.cz

Long-term stay

- Our institute offers accommodation in the institutional apartments, that are located 10 minutes' walk from the Institute. For updated information on accommodation availability, please contact Mrs. Alena Juhászová: juhaszova@iapg.cas.cz

Private

- You can, of course, also use any commercial accommodation facilities or services [Booking.com](https://www.booking.com), [Airbnb](https://www.airbnb.com), <https://student-room-flat.com/>...

3) Medical Facilities

We have an occupational physician, namely MUDr. Lucie Žáčková, whose practice is located in the centre of Liběchov. You can contact her, by phone at 315 697 138, or by e-mail at ordinace@ordinacelibechov.cz

The nearest hospital is in Mělník: <https://www.nemocnice-melnik.cz/>

EMERGENCY CASES

Central extension for major emergency calls is:

- **112 – all services (international, communication in foreign languages)**

155 - Ambulance (local, communication in Czech)

150 – Fire department (local, communication in Czech)

158 – Police (local, communication in Czech)

4) Czech courses

- You can visit Czech course for foreigners provided by Academy of Sciences: <http://langdpt.avcr.cz/kurzy/index.html>
