Annual Staff Statistics Report 2024

This annual staff statistics report provides regular monitoring for the Gender Equality Plan by presenting key data on staff structure, gender representation, career stages and employment categories at the IAPG as of **31 December 2024**.

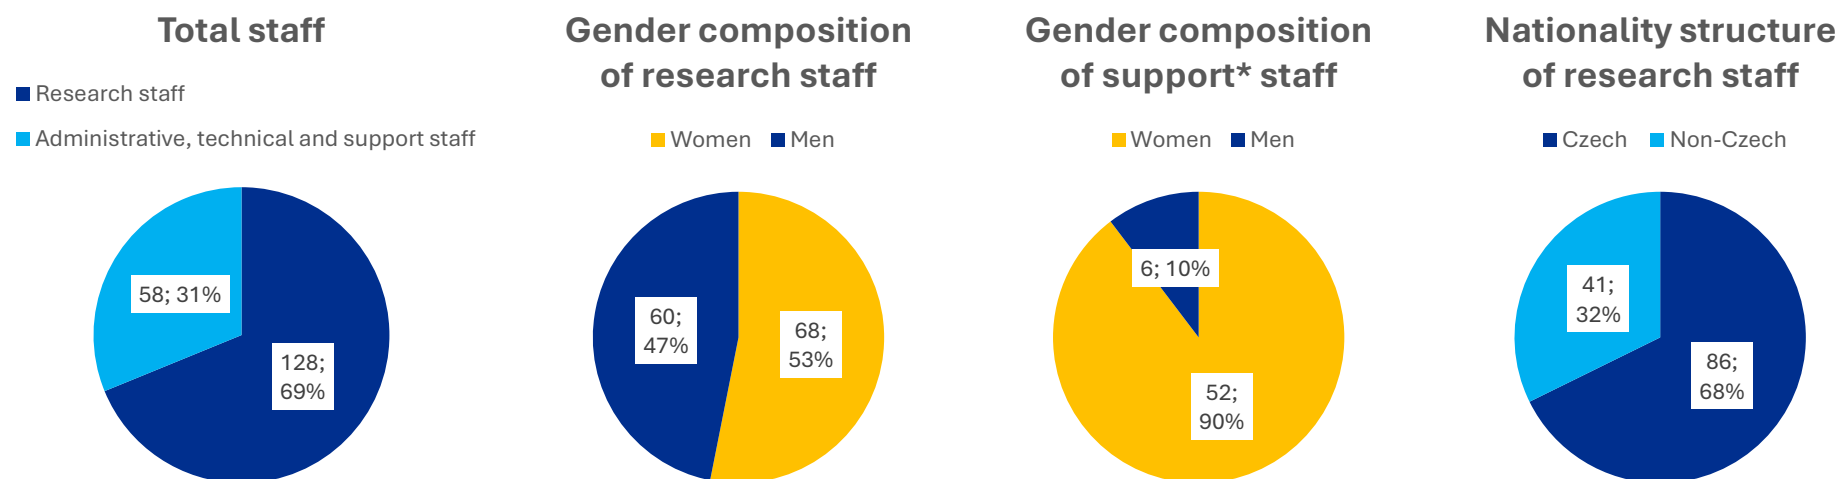

Figure 1. Overview of staff structure by staff category, gender and nationality. * Administrative, technical and support staff.

Table 1. Gender-disaggregated overview of employees by career category. The table presents total headcount, the share of women, and separate data for women and men, including headcount, full-time equivalent (FTE) and nationality structure. Nationality is reported as Czech and non-Czech. “Non-Czech” refers to employees with a nationality other than Czech. FTE indicates the total employment volume expressed as full-time equivalents.

Qualification Grade	Total headcount	Women (%)	Women				Men			
			Headcount	FTE	Czech	Non-Czech	Headcount	FTE	Czech	Non-Czech
